INTEGRAL
STRATEGIC SOLUTIONS

KPI | INTEGRAL STRATEGIC SOLUTIONS PARTNER

KPI Solutions is an end-to-end warehousing and distribution solutions provider. We partner with our clients to analyze, design, implement and support a full range of customized supply chain solutions. KPI is the integrator of choice for:

- Automated Storage & Retrieval Systems (AS/RS)
- Automated Buffering & Sequencing Systems
- Automated Picking Systems
- Autonomous Self-Driving Vehicles/Automated Guided Vehicles
- Automated Palletizing Systems
- Storage Systems
- Software Control Systems

Our data-driven, technology-agnostic approach transforms operations with automation to boost fulfillment speed, reduce reliance on labor, and improve agility. Our full-service capabilities include consulting, engineered concept design, systems integration, warehouse software and lifetime support services. KPI delivers cost effective, scalable, and flexible integrated solutions that increase warehouse performance and profitability for our clients.
